

CURRICULUM VITAE

CRISTINA MONTOMOLI

Date and place of birth: 27/10/1963, Piombino (LI), married, one daughter and one son

CF MNTCST63R67G687R

Place of work	Department of Public Health, Experimental and Forensic Medicine, University of Pavia
Position held	Full Professor in Medical Statistics, MED/01, University of Pavia (from June 2015)
Previous positions	Associate Professor in Medical Statistics, MED/01, University of Pavia (2005 – 2015) Assistant Professor in Medical Statistics, MED/01, University of Pavia (2000 – 2005)
Id ORCID	https://orcid.org/0000-0002-8526-5846

Education

1982	Scientific high school degree (60/60)	Piombino (LI)
1988	Degree in Biological Sciences (108/110)	University of Pisa
1990	Post-degree in “Statistique appliquée à la Médecine, option Epidémiologie	University of Paris VI
1991	Post-degree in Medical Statistics (50/50 cum laude)	University of Pavia
1994	PhD in Public Health and Community Medicine	University of Sassari

Professional and Scientific Memberships

2018-2021	Director , Department of Public Health, Experimental and Forensic Medicine, University of Pavia
2015-2018	Vice-Director , Department of Public Health, Experimental and Forensic Medicine, University of Pavia
2018	Rector Delegate for Sport
2016-2022	Coordinator of the course studies in Sport and Exercise Science (L22, LM67 e LM68), University of Pavia

2020-2023	President (as biostatistician) of the ethical committee of Istituti Clinici Scientifici ICS Maugeri, Pavia
2017-2019	Vice-President (as biostatistician) of the ethical committee of Istituti Clinici Scientifici ICS Maugeri, Pavia
2014-2018	Member of the Tehnical Committee of Servizio Assistenza e Integrazione Studenti Disabili e con DSA (SAISD), University of Pavia
2013-2020	Executive editor of the journal Epidemiology, Biostatistics and Public Health
2012-now	Head of the Biostatistics and clinical epidemiology of the Department of Public Health, Experimental and Forensic Medicine, University of Pavia
2010-2018	Director , Specialization School in Medical Statistics, Faculty of Medicine and Surgery, University of Pavia
2010- 2016	Member of the Clinical Trial Quality Team, Istituto Neurologico Nazionale “C. Besta”, Milano
2009-2011	President of the Italian Society for Medical Statistics and Clinical Epidemiology (SISMEC))
2008 - 2020	Director of the Centre of Study and Research on Road Safety (CIRSS)
2007 - 2013	Member (as biostatistician) of the ethical committee of the Neurological Institute “C. Mondino”, Pavia
2007 - 2012	Executive editor of the journal Biomedical Statistics and Clinical Epidemiology
2007 - 2009	Elected President of the Italian Society of Medical Statistics and Clinical Epidemiology
2004 - 2009	Member of the vaccine commission of the Lombardy region
2004 - 2006	Member of the committee for the study “HERA: Epidemiological study on the risk of death due to unknown or ill defined causes during the first two years of life”, coordinated by the Italian Health Institute (Istituto Superiore di Sanità), Roma, Italy
2004 - 2006	Member of the Working Group for the drafting of guidelines about “Management and prevention of Sudden Infant Death Syndrome (SIDS) cases“ of the Lombardy Region, Italy

RESEARCH PROJECTS

2015-2021	Scientific responsible of the EPI- EST Project : environmental exposures and public health
2011-2013	RESPONSIBLE of the research unit of the European project MOVE/C4/SUB/2011-294/SI2-628846 "Reducing the Harm and the Burden of injuries and human loss caused by road traffic crashes and addressing injuries demands through effective interventions REHABIL-AID"

- 2011-2012** RESPONSIBLE of the research unit of the project Ministero della Salute Progetti CCM "Analisi ragionata dei piani regionali della prevenzione previsti dal piano Nazionale della Prevenzione 2010-2012"
- 2012** COORDINATOR Lifelong Learning Programme Erasmus "International education for training traffic accident reconstruction specialists"
- 2011** COORDINATOR Cooperazione interuniversitaria internazionale AF 2010 Progetto CII10UUT8U
- 2009-2011** RESPONSIBLE of data collection and statistical analysis of the project financed by Fondazione Mariani "Quality of Life in very low birth weight children: development and validation of a self-reported questionnaire"
- 2008-2010** RESPONSIBLE of the research unit of the project, financed by the Ministry of Health RF 2007 "Genome-wide association study to identify novel risk loci for severe obesity", coordinator Istituto Auxologico, Milan
- 2008-2009** SCIENTIFIC RESPONSIBLE of the project "Cooperation between Italy and Romania for the protection of the child – a research action model" in collaboration with the province of Milan and the Italian and Romanian Ministries of Justice.
- 2008-2010** RESPONSIBLE of the research unit of the project "Multicentric study on comorbidity between mental disorders and disorders associated with drug abuse in therapeutic communities. (PADDI-CT)", financed by the Ministry of Welfare in collaboration with the University of Milan Bicocca
- 2007-2010** RESPONSIBLE of the research unit of the project, financed by the Ministry of Health RF 2006 "Epilepsies in the first years of life: guidelines on diagnostic therapeutics paths" coordinator Unit of Infant Neuropsychiatry, Neurological Institute, Pavia;
- 2007-2010** RESPONSIBLE of the research unit of the project, financed by the Ministry of Health RF 2005 "Molecular mechanisms and mortality in a cohort of 45000 newborns with electrocardiographic screening – MOCOO"; coordinator Cardiologic Unit, Istituto Auxologico, Milan;
- 2007-2010** RESPONSIBLE of the research unit of the project, financed by the Ministry of Health RF 2006 "Predictivity and prevention of sudden infant death: electrocardiographic markers, molecular diagnosis, psychological and economical impact", coordinator Cardiologic Unit, Policlinico San Matteo, Pavia
- 2006-2009** RESPONSIBLE of data collection and statistical analysis:
"Epidemiological study on comorbidity between mental disorders and disorders associated with drug abuse in Italian Mental Health Services (PADDI Study - Psychiatric and Addictive Dual Disorders in Italy)", financed by the Italian Anti-Drug Department of the Ministry of Welfare in collaboration with the University of Milan
- 2006-2008** NATIONAL COORDINATOR of the PRIN 2006 project "Morbidity and mortality in childhood: risk factors and incidence" financed by the Italian Ministry of University and Research

Teaching

From 2000-2001 she teaches Medical Statistics and Epidemiology to under and post-graduate students at the Faculty of Medicine and Surgery of the University of Pavia (about 20 CFU/year).

From 2014 she is a member of the faculty board of the PhD school in *Psychology, neuroscience and data science* of Pavia University.

In 2001 she was **visiting professor** at Baghdad University, Iraq for a cooperation project between Pavia and Baghdad universities.

From the academic year 2012-13 she coordinates the Master program in *Biostatistics and Methods in Epidemiology*, University of Pavia.
