PHD ONE HEALTH MONTHLY SEMINARS

06 October 2026

16:00 – 18:00

Online seminar

Animals, vectors, pathogens and local changes: the One Health poker?

Introduction by:

Prof. Anna Odone

*Coordinator of the National PhD in One health approaches to infectious diseases and life science research
University of Pavia*

Speaker: Prof. Ezio Ferroglio

Ezio Ferroglio qualified in veterinary medicine at the University of Turin in 1992. He then gained his PhD in "Epidemiology and control of zoonosis" at the University of Bologna in 1997. He currently works as a Full Professor of Parasitology and Parasitic Diseases at the Department of Animal Production, Epidemiology & Ecology, University of Turin, Italy. Since 1999 he has been involved in more than 55 research projects relating to the diagnosis, epidemiology and pathogenesis of parasites and wildlife diseases of public health interest.

- The seminar is part of the training activities of the National PhD in "One health approaches to infectious diseases and life science research" for the module *CONTEXT curriculum*.
- Participation is free of charge and worth 0.5 CFU. To participate, register at the following link (<https://forms.gle/5dTKocpPC9LTUQEB7>) before October 2, 2026.
